# accident insurance

## **on- or off-the-job including a disability income benefit**

An accident can wreak havoc on your savings if you're not prepared. That's why there's accident insurance. It gives you a cushion to help cover medical expenses and living costs when you get hurt unexpectedly.

On average there are 13 unintentional injury deaths and about 2,650 disabling injuries every hour during the course of a year.<sup>1</sup> In 2003, about 1 out of 12 people sought medical attention for an injury.<sup>1</sup>

Accident insurance can pay you a lump sum benefit for on- or off-the-job accidental injuries, plus some medical benefits. Because accident insurance is supplemental, it works in addition to other insurance you may have. You can use the policy on its own or to fill a gap left by your other coverage.

- Benefits paid directly to you unless assigned
- Benefits paid regardless of other coverage
- Coverage for you, or you and your family
- Non-Cancelable for life, changes in premium rates will not be made

## Eligibility/ Family Policies/ Termination

Family coverage includes you (the employee), your spouse, and dependent children as defined in the policy. If you die while you have family coverage in force, the policy will continue with your spouse as the primary insured person. If your spouse is covered, his/her coverage ends upon a valid decree of divorce. If your child is covered, his/her coverage ends on the policy anniversary following the date the child is no longer eligible, which is the earlier of when he/she marries, is no longer living with you or turns 25.

## Renewability

The policy is non-cancelable for life. Changes in premium rates will not be made.

## Timing

AWD provides benefits if a covered person sustains an injury which results in a covered loss within 90 days (180 days for dismemberment or death) from the date of the accident. Coverage is effective on the date assigned by the home office and shown on your actual policy.

## Exclusions and Limitations That Apply to Policy AP2 and Rider AP2EXT

If more than one dismemberment, dislocation or fracture is sustained in any one injury, the total amount we will pay will not exceed the maximum amount shown in the Benefits section. We do not cover any loss as a result of: injuries incurred before the policy date, subject to the Incontestability Provision; or any act of war, whether or not declared, participation in a riot, insurrection or rebellion; or suicide or any attempt at suicide, whether sane or insane; or any injuries sustained while under the influence of alcohol or any narcotic, unless administered on the advice of a doctor; or any bacterial infections (except pyogenic infections that occur with and through an accidental cut or wound); or participation in any form of aeronautics except as a fare-paying passenger in a licensed aircraft provided by a common carrier and operating between definitely established airports; or the taking of poison or asphyxiation from or voluntary inhalation of gas or fumes; or committing or attempting to commit an assault or felony; or driving in any organized or scheduled race or speed test or while testing an automobile or any vehicle on any racetrack or speedway; or mental diseases or deficiencies without demonstrable organic disease; or injuries sustained by a dependent child while practicing for or participating in an organized competitive football game; or hernia, including complications due to hernia; or injuries incurred while serving as an active member of the Military, Naval or Air Forces of any country or combination of countries. Upon notice and proof of service in such forces we will return the pro-rata portion of the premium paid for any period of such service. Disability benefits for injuries resulting from a sprained, strained or lame back or any intervertebral disc condition are limited to a maximum of three months for any one injury.

## Termination Provision for Rider

The rider terminates and is no longer in force on the earliest of: the end of the grace period for the payment of the premium for the policy or the rider; or the date the policy terminates; or the next renewal date after the insured's request to terminate the rider.
